

SEPTEMBER  
2015

*Presenting the Automobile as Art Since 2007*

*Celebrating 10 Years of Excellence*

The 10<sup>th</sup> Anniversary of the Art of the Car Concours® will be held on Sunday, June 26, 2016. Plans are well underway. Most all of the plans for the weekend of activities have been set. We have restructured a number of subjects, such as this newsletter, which will be coming to you in shorter versions with links to our website. The website has been updated with 2015 information.

## 2016 Vehicle Applications

The 2016 Vehicle Application Form and Criteria Sheet for all variations of automobiles, motorcycles, and pedal cars are now available on our website. We have already received a number of Applications from potential first-time exhibitors for the 2016 Concours. Please click [here](#) to be taken directly to the Application. Applications for the 2016 Concours are essentially the same as past years, but there is a new early registration deadline for Applications: December 31, 2015. As you know, the field is limited and cannot be expanded. Therefore, Applications will be considered as of the date that they are submitted. We encourage all Exhibitors to make a special effort to plan now and submit Applications in early, by December 31<sup>st</sup>, for the 2016 Concours. As a further incentive, Application fees will remain at \$100 for autos, \$50 for motorcycles, and \$20 for pedal cars as they have since the beginning of the Concours for Applications submitted by December 31, 2015. All Applications submitted after December 31 in 2016 will require a fee of \$150 for autos, \$100 for motorcycles, and \$50 for pedal cars.

## 2016 Featured Vehicles

We are well on our way to securing vehicles in a special category. On October 1<sup>st</sup> we will announce the focus of the 2016 Concours; at this time we hope to have most of the vehicles secured and their arrangements made.
